## Olmstead & Gable

### High Point Men

The pride of Marion went to Manchester February 15 and came home with another victory. 55-31 was the final count.

Marion was ahead 12-6 after a hard-fought first quarter. Gable opened up with a scoreless first minute of play. King, Gable, and Olmstead all found the hoop open for 4 points apiece in the first canto.

The excitement let loose in the second quarter as Marion was tied twice by the Manhawks. Otting and Gable found the basket open for a field goal each. Olmstead scored on a charity toss. The Indians left the floor, ahead by a margin of two points, 17-15.

## Manchester Bows To Marion

Marion's twin hot-shots, Olmstead and Gable, made five and eight respectively. King hit for six, Krog made a field goal and Otting scored on a free throw. The score board moved to 37-25 as the buzzer rang at the end of the third quarter.

The Indians moved into a grand total of 55 points, as Gable and Olmstead each hit for 19.

The Little Indians marched on to their tenth victory: 26-19. Williams was high with 10 points. BQ

## Why Not Form A New Personality?

In a few months some of you will be searching for jobs; maybe a job just for the summer months or maybe a good permanent position.

In order to walk away from your interview with a feeling of confidence that you will get the job, do a little preparing beforehand.

The employer will try to find out as much as he can, and while he is talking he will be making a mental picture of you. In this mental estimate the employer will classify you according to a scale on which are listed appearance, personality, initiative, mentality, and speech. After you have left the office he will record his findings on a rating sheet.

But the most important quality he is interested in is your ability to get along with others.

To meet people and talk with them is one thing, but getting along with them is another. Cooperative work requires a willingness to give and take.

Maybe you will be the one giving the orders but most likely you will be on the receiving end of those orders. In either case you will have to keep that chip off your shoulder and cooperate.

Although a worker may be very skillful, without the ability to work with other people he will get nowhere. Lack of this ability has caused many to lose their jobs or fail to win promotions.

These qualifications are not only adaptable for the future employee, but are sound principles which can be followed by each and everyone in school. So, for the rest of the school year, try out a new personality on your acquaintances.

## The Winnah! In Spanish Spelling

Edwin Blinks holds the recent title of "Champion Railroad Speller." That may seem like a trivial thing to you but have you ever tried to play railroad spelling in Spanish when almost every other word ends in "o" (and as luck would have it, few start that way) and your turn is limited as to time? Well, we did!

Edwin's conquest followed a business meeting and program. Ruth Roberts read an interesting article on many of the Latin American folk arts and Roberta Schnell gave a report on current Latin American news--including the recent extraction of six of Argentina's President Peron's teeth. LH

## Dramatic Club Members

### ~ Present Play ~

A crowd with an age limit from 13 to 90 met Friday, February 9, in "Ye Olde Opera House". Twelve talented actors and actresses gallantly chosen from the Marion High Dramatics Club presented a one-act play entitled "Teacher's Pet". The cast included Betty Norris, Agnes Mullaley, Shirley Jackson, Donna Bailey, Margaret Evans, Richard Bristol, Edwin Blinks, Edwin Carlson, Billy Moffatt, Helen Reichert, Onalee Paul, and Gene Michel. The play was directed by Lyle Fisher with the willing assistance of Miss Terrill. LF

## Band Booster Auction Brings Results

The Marion Band Boosters Club proved once again that it is one of the most active organizations in the school by sponsoring and operating the big benefit

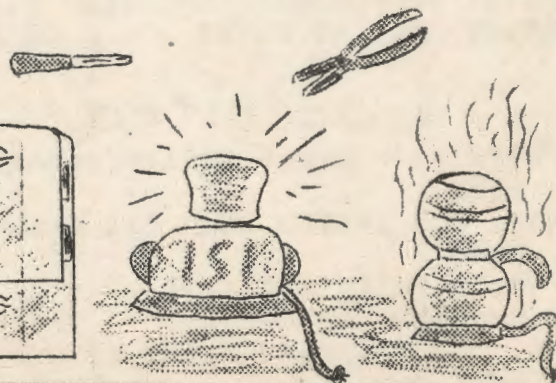

auction in the high school gymnasium Thursday, February 17. The auction was held to help raise funds with which to purchase several new uniforms and other items of equipment for the band. Everything from pies and cakes to console radios was sold by auctioneer P. C. Lassen. Much of the merchandise was donated by Marion merchants, while band parents supplied many items of baked and canned goods. Mr. W. A. Jackson was chairman of the committee in charge of the auction. ## Odds n Ends

Have you seen Jack Ratliff's graduation pictures? Boy, are they cute! Speaking of Ratliff, ask him to tell you the one about T. N. T. or not T. N. T.---He'd probably tell you anyway if you didn't ask him.

Flash! Bill Fisher was just elected "Meanest Kid in the Country Club"--He should fill the post nicely.

Has everyone noticed Sandra's hair cut? Cute huh?

It sure seems good to see Shirley Stimson---whoops---Shirley Clark back in school.

There has been a rumor around that Lank and Edna have been having their troubles, but from the looks of last Saturday night--all's well.

You'll pardon me if I breathe a sigh of relief at this point--the government tests are over--for a week at least.

Barrie is pretty important now-a-days--he not only has his name in the "VOX" but it appears quite frequently in the Mt. Vernon "Chalk Mark" too!

Hm! Jack King sure picks the most inconvenient times to lose his money, doesn't he?

What senior boy holds a great fascination for Shirley Jackson?

Why did Kenny H. go to the girls basketball tournament? Does he have an extra special interest besides the sport??

Twyla is pretty lucky--she gets serenaded by Jim J.--in study hall at that! DH & MW

## Conceited?

There is a great fellow named Ford,  
Whom the ladies seem all drawn toward.

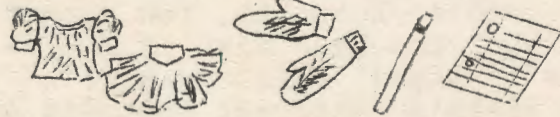

He's jolly and free--  
Handsome as can be,  
Oh, this gorgeous hunk of man,  
Lynn Ford! Lynn Ford

## Vinton Game

Marion's mighty Indians overwhelmed Vinton 56-30 at the Marion gym Tuesday, February 8. It was the fifteenth win in as many starts for the powerful Indians.

Marion fought hard for a 12-6 first quarter lead. Olmstead hit 8 of these points.

Coach Hipple's gang had easier going the second quarter. With even scoring and plenty of teamwork the Indians managed a 23-11 half-time lead.

Vinton had a warmer third quarter but couldn't keep up Marion's pace. It was Olmstead again as Marion went to a 40-22 third period lead.

The Indians had no trouble watching the solemn Jays in the last period. Reserves finished out the contest for Marion.

Long Lloyd Olmstead paced the Marion victory, putting in 25 tallies. Jack Fry hit 13 for the losers.

The little Indians had to battle a tough Vinton team to win 29-22. Again it was the star sophomore, Bob Williams, who hit 18 points for Marion, while Jim Roster collected 9 for the Jays.

## Marion Drops Maquoketa

The Marion Indians invaded Maquoketa's home floor Friday, February 12, to add a 56 to 35 victory to their already swollen string.

Maquoketa drew first blood and held a 2-0 lead until, after a minute and half of play had ensued, Olmstead dropped in a free throw. Still Maquoketa held on to a one or two point lead until, in the final two minutes of the quarter, Marion kicked up a 16-8 lead.

Hampered by penalties, Maquoketa fell farther behind in the second canto to be caught twelve points behind at the half. (30-18)

The remainder of the game consisted largely of penalties, with several Maquoketa players fouling out during the closing minutes. Final score again--56-35. GM
