As The Year Ends So

Does The Class of 1982:

Good Luck and Farewell!

Inside:

Caution: Seniors turned loose

An Anticipated Budget Cut Can Hurt So Much

Staff Editorial

As painful as it may be, the *Signal* has to say a final farewell to the halls of Marion High. To all our devoted readers and supporters we thank you.

But, thanks won't unfortunately, save our newspaper. Due to economic and financial situations that we have encountered, we have been forced to shut down our presses. Must put away our typewriters, fold our layout sheets, and cap our pens.

With this issue we close the pages of a short lived dynasty. Many ideas and dreams will die with this last publication, but the memories will live on forever in our own minds.

For the past two years all our hard work has gone into making an eight-page dream into reality. But, we don't look upon this tragic end as failure. Our efforts were fulfilled by winning many honors and awards.

In the 1980-1981 school year the *Signal* won second place for our

newspaper from the Columbia Scholastic Press Association. From the American Scholastic Press Association in the 1981-1982 school year, we won a first place award for our newspaper. Also we were honored by a first place award for feature writing. We were and still are very proud of these achievements.

Each year around Honors Award time the *Signal* inducts at least twelve staff members into the Quill and Scroll, which is an International Honorary Society for High School Journalists. This award is granted in recognition of outstanding and distinctive services on the publication staff of the school.

On October seventh, of last year some of the staff, along with our advisor, attended the 60th Anniversary Conference of the Iowa High School Press Association. This was at the University of Iowa where students

from all over Iowa met together for a day to hear lectures and be informed on new techniques used in today's school newspapers. Four of our members were in an On-the-Spot Writing Contest. This was done by sitting and listening to Peter Sturtevant Jr. a keynote speaker, lecture and then having a set amount of time to write a story. Our editor won a second place award for her feature story.

During last summer from July twelfth through the sixteenth, three members attended a Journalism Summer Workshop also at the University of Iowa. This gave a short look at college life and an abundance of information. There were lectures every day, story assignments, and more lectures. There were tips given on how to handle financial problems for your school newspaper, ideas for feature and sports stories, and basic

layout and design techniques.

As you can see our devotion for the newspaper never ended at 3:05 in the afternoon or at the end of the school year. We often worked after school, on weekends, and even during vacations. All this extra hard work went in to putting out the final product.

The newspaper was a small investment. We sold concessions at many athletic events, pounded the sidewalks selling advertising, and displayed our sales abilities by selling World's Finest chocolate candy bars.

Well, as we come to an end to a very, very busy two years of long hard hours of work we again thank you all!!!

The future and what it holds for maybe a slight chance of possible existence of the *Signal*??? All we can say is this...Only TIME will tell!!!!

A Final Goodbye

by Bridget Shoemaker

Goodbye
from
the *Signal*,
we
wish we
could stay
but
some things
must end,
what can
we say?
We,
the staff,
have worked
hard
for two years
to bring
you a paper,
through deadline
fears.
Although
we'll be free
from hassles

and worries
all the yelling
and painful scurries,
we'll miss
the paper
and teamwork
involved
and all the
problems
that
were resolved.
We'll miss
giving you
something new,
something we produced
just for you,
so, for the end,
the leading
last line,
we'd like to
wish you
a final
"Goodbye."

A snapshot for memories, A frame for the future

by Bridget Shoemaker

Prom. The last big event for many students at Marion, before graduation.

The junior/senior prom, held at the Embassy Club, in Cedar Rapids, began at 8:30 p.m. on Saturday, May eighth, nineteen eighty-two.

Everyone was dressed in formal attire, such as long dresses, flourished with lace, and tuxes of various colors.

Last year, the students had to pay three dollars per ticket to go to the prom, but this year, thanks to the junior class, there was no necessity for the purchase of tickets. There was a cost, however, for many individuals, such as dresses, tuxes, flowers, dinner, and professional photographs for five dollars a picture.

Punch was served as the beverage, in a "night-club" style atmosphere.

Tables were arranged around the dance floor and behind the swaying couples, in the candle-lit room, "the Works" entertained with songs from various popular musical artists. Among these songs was the ever popular and, never-the-less, 1982 Marion High School theme song, "Open Arms."

The evening was memory-making for some people as they snapped candid photos of teachers and friends to put in their photo albums for yesterdays.

Proms. A lasting memory as the years at Marion High School draw to an end for some and begin a new life for others.

Marion Moves On To The Future

by Bridget Shoemaker

The end of school has arrived for the 1982 Marion High School seniors. As the curtain closes, the crowd applauds - as high school ends, the seniors speak.

Graduation is "tops" with most seniors, such as Wendy Stuelke, who has the attitude, "I'm glad it's finally here," and Randy Lovell says, "Far Out!" Karen Peterzalek has the elated reply of, "Alright!!" But, there are some students, such as Becky Barth, who have mixed emotions.

Aside from mixed emotions, seniors have made plans for their future.

Wendy Stuelke plans to go to UNI and study English. She wants to teach high school drama and coach. Wendy plans to, someday, make it to Washington, D.C.

Then, there are those who believe in the "You deserve a break..." approach. Randy and Karen feel that this is their chance to enjoy a bit of "Leisure," along with a bit of semi-pro soccer for Randy.

For the most part, the students feel that the budget cuts brought Marion down a few rungs on the ladder of academic structure.

What teachers rate the highest for these four students?

Mr. Boquist deserves credit for getting through to at least a few seniors like Randy, for example. Randy says, "Mr. Boquist is my favorite because he is the only Social Studies teacher I learned anything off of."

Karen enjoys the company of Mr. Schlie because, "he is so nice."

Mrs. Boyer and Mrs. Bennett will have to battle for the greatest affection received from Wendy as she says that there is a tie between the two teachers because they both take the time to teach.

High points? There were many high points at Marion High School, but what Wendy remembers most was winning the State Championship.

Adieu, Sayonara, Adios...

Karen has a different approach for bidding the underclassmen farewell when she says that she hopes they go through more hassles than we did.

Becky says good-bye on a more cheerful note in hoping that the underclassmen can share happiness instead of sorrow.

So...

from the seniors...

"Farewell."

Running For The Win

by Todd Daves

As the season progresses, the Marion girls' track team has produced several outstanding performances. A prime example of their track prowess is the 440 relay team consisting of sophomore Heidi Dixon, junior Lisa Canavan, and seniors Stephanie Bennett and Laura Kos. This particular ensemble has not been beaten the entire season in this event; undefeated in ten outings.

Other fine areas were the long jump, 2 mile relay record, 880 yard relay, 100 meter hurdles, 220 yard dash, sprint medley relay, 440 yard relay, and the mile run.

In the long jump, Heidi Dixon leaped for a first place win of 15'4", just beating the 2nd place jump by 1 inch.

In the two mile relay, Marion ran to a 3rd place with a time of 10:41.64 only 23.55 behind the first place time.

The 880 yard relay was won by Marion in a time of 1:51.39. The foursome that ran in that event were Heidi Dixon, Laura Kos, Lisa Canavan, and Stephanie Bennett. That foursome also won the 440 yard relay with a time of 53.12; pulling forth another win for them in that event. As was mentioned, they

haven't been beat in that event yet.

The 100 meter hurdles was a very close event. Tami Meister ran and hurdled for a 2nd place for Marion with a time of 16.74 (only 1 second behind the first place time).

Susan Clover, a sophomore, ran the 220 yard dash and placed fourth with a time of 30.12 only 1.5 second behind the first place time.

1:57.90 was the first place time of the Sprint Medley Relay and that was the time of Marion's team. That four women team was Laura Kos, Lisa Canavan, Stephanie Bennett, and Chris Siepker.

In the Mile Relay, Marion ran for a 3rd place with a time of 4:25.77, only 6.09 behind the first place time. The four women who ran in that event were Tina Norris, Tami Meister, Pam Jellison, and Chris Siepker.

After an excessive workout, the team standings stood as follows from first to sixth; First place was Anamosa with 59 points, 2nd place was LaSalle with 54 points, 3rd place was Maquoketa with 53.5 points, 4th place was Benton Community with 51.5 points, tied for 5th was Marion and Linn-Mar with 38 points, and in 6th place was Prairie with 17 points.

A ROUND OF GOLF, ANYBODY?

By: Todd Daves

"The future looks bright," Mr. Messerli comments of the girls golf team.

The girls and the boys, practice at the high school—and at the Squaw Creek Golf Course. The girls practice behind the school hitting shag balls into the old practice field. When the golf course opens the team goes out to the driving range and practices there. Before you can go out to the golf course you have to pass a test on the rules of golf and good etiquette on the golf course and in the clubhouse.

Mr. Messerli took over the girls this year and we've seen a lot of improvement out of them. As Mr. Messerli said before, "I can't get to everybody but I try my best to help everyone."

The varsity girls for this year are Michelle Klopfenstein, Teri and Peggy Sindelar, Lee Ann Waters, Caryn Frasher, Jane Hutchins, Pam Miller, and Jane Trimble. The rest of the girls are Junior Varsity and they are Coleen DeWees, Kelly Johnston, and Lynn McDole.

Michelle Klopfenstein is a junior and her best score on 9 holes is 53.

Teri Sindelar is a junior and her best score on 9 holes is 42.

Peggy Sindelar is a freshman and her best score on 9 holes is 51.

Lee Ann Waters is a junior and 62 is her best score on 9 holes.

Jane Hutchins is a sophomore and her best score on 9 holes is 59.

Caryn Frasher is a junior and her

best score is 62 on 9 holes.

Pam Miller is a junior and her best score on 9 holes is 64.

Coleen DeWees, Kelly Johnston, and Lynn McDole haven't competed yet in a meet, but they are good golfers.

When asked about what he thought of the team this year and how they did he said, "they have a lot of improvement, and each girl

When asked about what he thought of the team this year and how they did he said, "they have had a lot of improvement, and each girl is improving. We have won two duals and 2nd place in a triangular." The best score for the girls team this year were made by Terry Sindelar who got a 42 and Michelle Klopfenstein who got a 53.

"The girls golf team looks good for next year because most of the girls on the team now are underclassmen, and if they work this summer they will give a good showing next year," said Coach Messerli.

When we asked Mr. Straull how the girls golf team did in the past and how he thinks they will do in the future this was his reply, "I think they did the same this year except for they won one more meet than they did last year. Last year they got a 2nd place in a triangular. As for next year if their attitude improves, I'm sure the girls can play a lot better golf. The future looks bright."

Girls' Track Team Sends Five to State

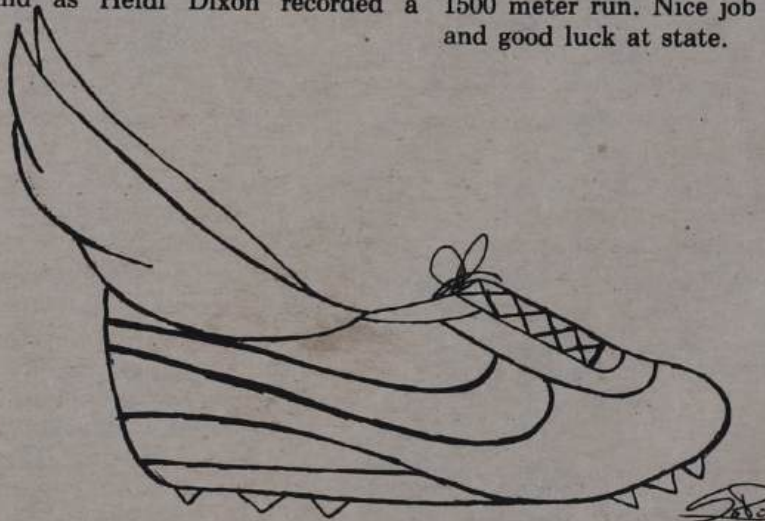

by Greg Hapgood

May 10, at Kingston Stadium, the Marion girls' track team made an excellent showing, producing four state qualifying events and placing eighth among twelve girls track powerhouses.

The 4 by 100 meter team consisting of Heidi Dixon, Lisa Canavan, Lauru Kos, and Stephanie Bennett turned in a time of 51:35 qualifying their event for the state meet held in Des Moines, May 21 and 22. Outstanding individual performances were also on hand as Heidi Dixon recorded a

blistering 12.5 in the 100 meter sprint. In the distance department, Chris Siepker galloped to second place in the 800 meter run with a time of 2:28.05, enabling her also to participate in the state meet.

Other fine performances came from the shuttle hurdle relay team with fifth place, the sprint medley team in third place, a fifth place by the 4 by 100 meter relay team, and an excellent individual showing by Andrea McAreavy with a third place in the 1500 meter run. Nice job girls track and good luck at state.

TENNIS GETS IN FULL SWING

by Roxi Port

The Marion High School tennis courts have been full of activity this past month, as the boys' and girls' tennis teams have been preparing for the 1982 season.

The season opens with a meet with Washington High April 15. The boys are at home, and the girls will play at Washington. After that, the boys will host Kennedy, then travel to Linn-Mar, Prairie, and Mt. Vernon. Their last meet is at home hosting Cedar Rapids Jefferson.

The Varsity boys tennis team is placed in order according to ability. The Varsity boys team in order is as follows: In 1st place is Russ Weston, 2nd place is Jeff Andersen, 3rd place is Craig Andersen, 4th place is Jim Berns, 5th place is Bryce Marolf, and in 6th place is Brad Olsen. The rest of the team are Junior Varsity guys, and they are as follows in no specific order; Dave Luzum, Roland Appleby, Brian Paul, Tim Bolyard, Brian Rogers, Kurt Trout, and Aaron Boner. That's the boys team for this year and we hope they do a fantastic job.

After their meet with Washington, the girls' team will journey to Prairie. They will then host three home meets with Cedar Rapids Jefferson, Linn-Mar, and Kennedy. The last meet for the girls' team will be a trip to Mt. Vernon.

As for the girls, there are 21 on the team. There are 6 Varsity and 15 Junior Varsity. The Varsity girls in order are as follows: 1st is Jana Helgens, 2nd is Heidi Helgens, 3rd is Roxi Port, 4th is Ellen Ervin, 5th is Jane Balster, and 6th is Lanie Crowley. The rest of the girls are as follows in no specific order; Cheryl

Port, Amy Grannan, Karen Regal, Susan Fredrick, Kim Prybil, Eva Lunden, Yvette Cree, Cathi Potter, Karla Jackson, Sue Bliss, Amy Herb, Tami Begley, Nikki Breckle, Micki John, and Lisa Bolsinger. That's the girls' tennis team for this year and we hope they will do a good job too.

Mr. Ferguson coaches both the boys' and girls' teams, assisted by Mr. Baldus and Mr. Sloan at coinciding meets. Says Ferguson, "I'd like to see improvement from last year. I just want everyone to learn about the game and have fun with it."

Jeff Andersen hits a smashing return in a meet against Jefferson.
