## Class Officers Chosen

The students were asked to choose the persons, in their opinion, best qualified for the representatives in 67-68 from their class. The nominations for the officers were filled with rough competition. It was a tough decision to make but each class chose well for the student best suited for the office.

### SENIOR CLASS:

President, Dan Ciha; vice-president, Russ Glasgow; secretary, Suzanne Jacque; treasurer, Don Kensinger

### JUNIOR CLASS:

President, Mark Andersen, vice-president, Cathy McCue; secretary, Cathy Gibney; treasurer, Jeri Rasmussen

### SOPHOMORE CLASS:

President, Bob Schueler; vice-president, Mike Nash; secretary, Eileen McDonnell; treasurer, Dennis Mohwinkle.

The event was Homecoming '67, which with great participation and lots of school spirit set off a well organized and traditional October occasion.

The bonfire, an annual celebration, displayed emotion of spirit and determination that bonded students together as the flames from a few neighborhood outhouses and the dummy glowed in the eyes of the cheering "Onward Marion" crowd.

A brilliant performance that was given by the God of Football (Mr. England) and the disguised Anamosa coach (Mr. Schaffer) and a well rehearsed group of "Marionites" having an orgie on Mt. Marion, melted the hearts of each student as he watched his teachers, classmates and the principal show their loyalty at the M. H. S. Homecoming assembly.

At Archery Lanes the setting was that of a football field with a platform where Queen Tina Augustine and her attendants reigned. The Preferred Stock set the stage for a great dance that ended another traditional Homecoming.

## Student Council Adopts Child

The Marion High Student Council has adopted a child in South Viet-Nam. The council voted to do this as one of its projects this year. The council had started plans for it last year.

The Marion High students will be supporting this child for a year and will be able to continue it in the years ahead if the students would like to.

The child and the students will be able to correspond with each other throughout the year.

Let's get behind this worthwhile project and support our Student Council and its child.

## Simpson Spends Eight Weeks At Colorado

This summer, Jim Simpson spent eight weeks at Colorado College in Colorado Springs. Jim was selected after he applied last year. Thirty-two students, 19 boys and 13 girls, took part, coming from New Jersey, Minnesota, Arizona, Texas, Colorado, Washington, D.C., California, Pennsylvania, Ohio, Kentucky, Washington, Alaska, Michigan, Louisiana and Indiana. Jim was the only one from Iowa.

All thirty-two took Geology and Arts and Humanities, with eight each in Chemistry, Physics, Math, and Biology. Jim took Chemistry. Besides lectures and seminars, a four day camping trip was taken in geology. Jim, a counselor and two other boys climbed Pikes Peak which took them six hours to go the 18 miles up, then they hitchhiked down. They also had a softball team, visited the Air Force Academy, held dances, had fireworks on the fourth of July, and went to Lakeside in Denver. Many groups visited the college while Jim was there, including the Yardbirds, the Jefferson Airplane, and the Young Rascals. For excitement there was an all night heart's game, and one night when everybody was gone, Jim was elected president and his room was designated the executive mansion.

## Student Council Elects Officers

Elections for Student Council were held Friday, Sept. 8. Each nominee gave a short speech Thursday before his respective class, stating his plans if elected. The following students were elected by their classes: Seniors, Pam Beadle, Dan Ciha, Tom Howe, Suzanne Jacque, Don Kensinger, and Christine Vesey; Juniors, Kim Ketelsen, Laura Martin, Alan Moorhead, Mark Rinas, Jodi Schoop, and Vicki Stick; Sophomores, Glennis Blair, Mike Nash, John Parks, Bob Schueler, Steve Wells, and Tom Yuva.

There were four carry-over members, seniors, Greg Topp and Kathy Meggers, Juniors, Al Risk and Cathy McCue. The four Student Council Officers this year are Paul Nelson, President; Jerry Whorton, Vice President; Cindy Marshall, secretary; and Cathy Gibney, treasurer.

STUDENT COUNCIL MEMBERS

## Quill Staff At Workshop

Four members of the Quill Staff, Susan Griswold, Becky Rodes, Susan Ewing, Jean Hovey and their advisor, Miss Ravensborg attended the workshop sponsored by the American Yearbook Company, September 31, 1967. The workshop was held at Saint Augustana College in Rock Island.

Three different aspects of the yearbook were discussed: photography, copy and layout, and advertising.

During the hour break the girls enjoyed touring campus, shopping and boy hustling.

## GRA Initiates New Members

A vigorous initiation on Monday night, September 18, marked the beginning of an ambitious new year for the G.R.A.

The annual event was ceremoniously planned and conducted by last year's carry-over members and was held for the benefit of all new participants. The program began mysteriously as each of the new members was blindfolded and then marched barefoot through a series of various obstacles. Once past this, each girl was confronted with such tasks as onion-pushing, (or onion-eating), banana-gulping, and exercising. The ritual ended on a high note as each of the blindfolded candidates were met with a mirage of cold ice cubes and foamy shaving cream. The sponsors concluded the evening with refreshments and a pep talk.

According to this year's G.R.A. calendar, the initiation was just one of the many activities scheduled. Both instruction and participation are to be offered in such areas as tennis, flag football, bowling, and archery, along with the regular volleyball, basketball, and baseball.

## Band Dept. Keeps Busy

"And the beat goes on and on and on, . . . on so it seems. The Band started out with a bang this year, and already it has given a concert at the Waterloo Dairy Cattle Congress and sent some members to the Sight-reading Clinic at Mount Vernon.

Two members, Mary Lee Hahn and Janis Kemper, went to Mount Vernon September 23 to practice with other high school students and gain experience in sight-reading. Then on Sunday, the 14th these members accompanied the rest of the band to Waterloo for the Dairy Cattle Congress. The concert, held at 10:30 A.M., included the following pieces: "Man From U. N. C. L. E. ", "His Honor" "King Henry", "Builders of America," "All American March", "Ben Franklin in Paris", "La Rosita", "West Side Story", and "Man of La Mancha."

Everyone is keeping busy attending sectional rehearsals, playing for pep band, and marching. The marching band is especially proud of its new uniforms this year. These were exhibited for the first time September 20, and will be used hereafter. The Band's first halftime show was staged on October 6.

Student Council Skit for Homecoming

## Music Dept. In Full Swing

Singing is going over big this year and the Vocal Music Department proves it. Mrs. Hulin, the department head, estimates that she has 25 more singers than last year. The attendance is as follows: Mixed Chorus, 85; Junior-Senior Girls Glee, 80; Boys Glee, 55; and Sophomore Girls Glee, 35.

Rehearsals for the different groups are held during the sixth period. On Monday the Sophomore Girls Glee practices; on Tuesday, the Boys Glee consisting of Sophomores, Juniors, and Seniors; on Wednesday, the Mixed Chorus, with Sophomore boys included; on Thursday, the Junior-Senior Girls Glee; and on Friday, the Mixed Chorus.

During the first two weeks in Mixed Chorus, business meetings were held to elect officers and discuss candy sales. Officers for this year are: President, Don Kensinger; Secretary-Treasurer, Linda Mithelman; Librarians, Greg Topp and Julie Martin; and Attendance-Takers, Kay Wood and Cathy McCue. The shipment of candy arrived September 28. Each member is to sell \$10 worth of candy in order to travel with the group on the spring trip. They need your support. WHY NOT BUY A BOX OF CANDY!

### Receive Honorable Mention

An honorable mention was given to Dan Ciha, Susan Griswold, Susan Ewing, Russ Glasgow, Cynthia Martin, and Steve Reynolds who, upon taking the National Merit Scholarship Test, ranked in the upper two per cent of the students participating.

CONGRATULATIONS SENIORS!

### FTA Meet

The Future Teachers of America held their first meeting of the year on Thursday, September 21. The new officers for this year were elected. They are: Melody Sorenson, president; Jackie Nohre, vice-president; and Cathy Hansen, secretary-treasurer. Plans for a membership drive were discussed.

### WE WANT WAMAC! !

Marion 32-Maquoketa, Marion's favorite charity, 13. This "contest" was costly for Marion as this was the game Stead was injured in, and Paul Nelson suffered an ankle injury that may hamper his play against Anamosa. Outstanding player, Jim Simpson, scored 26 points on four touchdowns and two extra points to assure Marion a victory in the first quarter of play.

The sophomore football team has a 2-win-1 loss record to date. The loss marred the team's perfect record since seventh grade. Its best performance of the year was a 38-0 maul of Maquoketa.

It is time to give recognition to another undefeated team. Marion's cross country team is unbeaten after four meets. Skip (Louis) Smith says he is doing a fine job having been beaten only once this year.

Marion is fielding some great athletic teams this year and would appreciate your support. Let's get out there and cheer and let other schools know that Marion wants Wamac.

Undefeated, rated fourteenth in the state, and occupying first place in the WaMac is the position of Marion's football team as we go to press. With five games, . . . five tough games remaining Marion's chances are good to remain unbeaten. However, they are somewhat lessened with the loss of lineman Ben Stead. Stead, who is out for the season with a torn tendon and torn ligaments in his leg, is an outstanding performer and his presence will be missed.

In the first game of the season, Marion had to overcome not only Waverly, but an over anxious bus driver who nearly caught the bus in a tunnel. We escaped with only minor injuries to the bus top, but the driver tried to alleviate that by driving down the wrong lane against traffic.

Paul Nelson was selected Prep of the Week by the Gazette for his play in the game, which included his 95 yard touchdown run.

Marion's next victim was Independence the defending WaMac champs. This game was nearly a replay of the Waverly game with Mark Clark again intercepting a pass to stop a last minute Independence drive. Bruce Klink's toe again provided the margin of victory as Marion overcame a twelve point deficit to win 19-12.

### MAGAZINE SALE IS SUCCESS

The Junior class magazine sale project was a great success for the treasury this year. Because of the great participation, the goal of \$2,500 was surpassed with a total of \$2,860.

The fund started out with a boost with sales amounting to \$82.00 by Susan Bezdek, who received the high sales award.

Various other awards were given, and they include: the grand draw prize to Barbara Huffman; \$100 subscription certificates and prizes to Susan Bezdek, Alan Moorehead, Pat Ulrey, Nita Lacock, Pat Price, and Kay Craven; and 25 certificates of achievement were awarded to those who sold \$25 worth of subscriptions.
