The banquet facilities of the Indian Creek Country Club are at our disposal for the evening. After dinner and a few words by our distinguished M.C., George H. Brewer, Bruno Randall's Band will provide music for dancing. Welcome to all, and enjoy the evening.

Remember

When the "In" look was to be blond, blue-eyed, rosy-cheeked and dimpled - - and George Brewer had it?

When the greatest threat life held wasn't Communism, inflation, or job insecurity - but the fear that Mr. Hulin might catch you talking in study hall...surpassed only by the fear that Coach Hipple would catch you walking with, talking to, or looking at a girl!

When pink and black were the colors.
When Nicks was the place to go.
When all the fellas, especially Larry Coe and Kent Burns had their D.A's.
