## *Vision of Love*

Well, once again prom has come and gone along with all the lavish things that come with it. Prom dresses and tuxes were on the minds of MHS students not too long ago. A night of memories was made on May 8th. A "Vision of Love" set the nights tone and the magic of prom came this year.

The Junior Class has pulled together and worked hard to raise money for this years prom. They earned money by working at the Cedar Rapids Boxing Bingo Club and by having a car wash. The Juniors also worked hard to set up the theme and decorations. "I hope all of our hard work pays off and the seniors appreciate our efforts", said Dan Erkel about setting up for Prom.

Many students enjoyed the dance this year and people that attend had a lot to say:

"The line was so long and so hot but it was a lot of fun when we started dancing." (Tacey LaKose)

"I liked last year's better only because there was a much pressure this year. (Holly Beck)

"I loved it! (Amy Kraus)

"I saw last year's prom and I thought this year's decorations were a lot better and it was a lot of fun. (John Maske)

"The gym was pretty cool and the set up for pictures was neat. (Chad Merritt)

"I thought it was great! We don't have proms in Germany. (Sandra Stengel)

*After the grand march, prom-goers like Jon Stickney and Lindsey McNeeley chatted with teachers and friends and were served punch by Jamie Lundahl*

*Arriving early for Prom, Ben Balvanz, Lou Paine, Laura Lybarger and Jennifer Winberg look forward to the evening.*

*As soon as the dance was over, Johanna Bushlack and others helped the clean-up process by taking parts of the decorations for souvenirs.*

## Summer Plans

by Dawn Ginther

What are you planning on doing for your summer vacation?

Here are some things that people said!

Mrs. Braun — I plan on going to New Orleans and to Austin to enjoy and listen to my son play in his band. I also plan to remodel my house and to read trashy novels.

Shannon McCleary — I am going to babysit this summer and to get a job.

Mrs. Sell — I am going to my daughter's wedding, travel to the west coast, play golf and what ever I have time for.

Renee Williams — I am going to Florida for awhile, going to Driver's Ed, and in July my sister is coming to

visit me here.

Brandy Bruce — I am involved with the 5-Seasons Ski Team, moving out, going to Minnesota with my friends, Check out the hot guys, and working.

Heather Bauer — I plan to go to Florida, Wisconsin, get a job, Driver's Ed, and go to Cheerleading camp.

John Heald — I'm going to St. Louis, playing baseball, and golfing.

Deanna Johnson — I have to go to work, cruise with friends and go somewhere for a vacation.

Sarah Keith — Get a summer job, go out with friends, and help out with my sister's wedding.

## Our Favorite Teachers

As seniors get closer to graduation, they begin to look back more often at the times that they have spent while in high school. They remember the parties that they went to, or maybe they don't remember, and they especially remember those teachers that have really helped them the most while they were here at school. Here is what different seniors had to say when they were asked which teacher had helped them the most while they were here and how that teacher had made a memorable mark on their memory.

Shelley Canady: Mrs. Putnam because everyday or when I see her, she always made sure that I had everything done, and she always took time out for me.

Sharlene Ross: Mrs. Madsen because even when she had shown the whole class something, she was always willing to come and help you or show you again. She is understanding and really cares if you pass or not.

Jennifer Mumm: Mr. Wikert because when I first came to the high school, my math skills basically stunk and he showed me how to do the problems in a way that didn't make you feel stupid. Thank you very much.

Chad Merritt: Mr. Virlee because he has taught me a lot about the Russian language and has helped me toward my goals.

Tacey LaKose: Mrs. Schultz because she's always let me use the art room when I wanted to and that has helped my future plans in art, and Mrs. Boyer because she has always given me advice that helped me a lot.

Nathan Hoffman: Mr. Perkins because he explains the subjects well and goes through things thoroughly, making sure everyone understands.

Diane Zillman: Mrs. Bennett because she helped me to improve my study habits and writing skills.

Scott Schroeder: Mr. Bates because he makes writing fun.

Michael Dooley: Mr. Virlee because he said that you can't outfox the fox, but we always did.

Heath Ayers: Mr. Virlee because he was always fair and his class was a lot of fun.

## Thespians' Talent Show a Big Hit!

Travis Clarke

On April 31 the Marion High School thespians presented their first "No Talent Show". Marion has gone with out a talent show since the Quill staff stopped doing their show because of the lack of time. The thespians decided that they would try to carry on the tradition.

The talent show consisted of acts put on by the band and choir along with the thespians. A lot of "talent" was displayed on an evening that was made possible by hard work and talented people.

Highlights of the show were The Kerry May skit put on by Kelly Westergaard and Larry Loney. Ray cross was picked out

of the crowd for their skit to be a volunteer for Kerry May cosmetics. Mrs. Goldstein's Neighborhood was also a notable part of the show. Alison Moe portrayed Mrs. Goldstein teaching her unique class. A big hit was Cabaka, the band that consisted of Adam Estes, Greg Herring, Jason Grimm, and Jim Dosh. The Dance routine, "Vogue", was also entertaining for the crowd. Michael arks danced along with Alison Moe, Jennifer Mumm, Charity Henderson, Jenny Goble, Heather Bauer, and Diane Zillman. Another skit, In the Morning, was about five different people brushing their teeth using the same water that the person before had spit in.

## "All Night Long"

THE 1993 Marion High School Post Prom activities were held at Castle Lanes. The event was sponsored by S.A.D.D. under the head supervision of Mr. Shaffer. Students began to arrive around 11:30 P.M. The students had an opportunity to bowl, eat, play video games, and watch movies that had been rented. The pizza arrived around 11:30 and the nearly 200 people gathered to hog down all they could eat. Prizes were given away throughout the night. Prices consisted

of Tee-Shirts, Frisbees, Softballs, Whoppers, Shampoo, Free K.F.C., Watches, and Free bowling games. The students who hung around the rest of the night till the end were entered in the drawings for the big prizes. Those who won were Chris Cannon, a 13 inch color Television, Chris Healy, a microwave, Jason Vavra, a cordless phone, Staci Jirouch, a camera, Tybee Sever, a radio, Jenny Kinkead, a VCR. The event was a lot of fun and provided students a safe outlet for their energies.

During post-prom activities at Castle Lanes, Christie Bulman showed the bowling expertise she gained in gym class.

## Spring Sports

### RECORD SEASON FOR BOYS TENNIS

The Boys Tennis Team got off to a slow start. But things are starting to look better. They finally were able to have practice everyday after school. The first three meets were postponed because of the nasty weather that have had. On April 17, the guys played in a tournament at Prairie.

On April 20, they played Camanche, and were defeated 9-0. On April 23, they played LaSalle / Regis for their first victory of the season. This meet was at home. On April , the guys traveled to Mt. Vernon, and scored their second victory of the season. On April 29, the boys were once again on the road, this time in Maquoketa. Once again the team was victorious, with some very close matches, and an enormous overall effort on the part of the whole team. On May 6, Marion hosted Jefferson's JV team and chalked up another victory for the season. On May 12, the boys wrapped up the season with a home meet against Mt. Vernon. Once again Marion was able to come out on top. This year, the boys tennis team set a school record by having a

5-1 record.

### GIRLS TENNIS

The 1993 girls tennis team headed by Coach McNutt has gotten a rainy start this year. Although the team is small, (19 players, 3 letter winners) they try to win at least one meet and do their best. When it comes to progress the team is coming along; slowly. This is because of the practice schedule and to the weather. The team's final outcome is to have fun, even when it gets hard, the fun can still be evident. This lost time due to weather is made up on the girls' own time on the weekends and personal matches with others. They also practice in the gym on occasion. When compared to previous Marion tennis teams a player remarked that "We plan on doing our best and the older girls are helping the younger girls by teaching them techniques they need to learn." Hopefully the team can make up for the lost practice time and defeat opposing teams. Good luck to Coach McNutt and to all of the players: Kim Hammill, Lisa Johnson, Jane Campbell, Nicole Chamberlain, Amy Bulman, Erin McCleary, Marci Pinger, Carrie Pfiefer, Leah Schneider, Vickie

Bennett, Erin Casey, Alison Moe, Sarah Hughes, Amy Kraus, Shannon McCleary, Jenny Raymond, Joy Sueppel and Katie Reynolds.

### GIRLS GOLF

The girls golf season this year started on April 15th with North Linn. The girls haven't gotten to practice much with all the rain and a meet against Linn-Mar was cancelled due to rain. Sophomore Sarah Jackson is the only returning golfer, in which this is her second year. Otherwise this is her first year of golf for Jill Wilson, Holly Welbes, Sarah Keith, Jessica

Pattison, Christine McGlaughlin, Krista Heath, Michelle Rude, Theresa Garthwaite.

### BOYS GOLF

The golf season has started for MHS but due to weather the season has started slow, but meets will start next week. The returning lettermen for the season are Darin Andresen and Glen Renfer. And the only senior of the year is Kevin Rose. Here's what coach Messerli had to say for the season, "We will be a young team with some experience and our success will depend on whether we believe in our own abilities."

At Wamac golf at Ellis, John Hamilton tees off on a rainy, cloudy day.

## GIRLS TRACK

Marion Girls Track had their annual Lady Bobcat Relays at Benton Community. The meet was scheduled for Friday the 16th, but it was postponed due to the weather. It was then held the next day. The girls did rather well even though they didn't have the whole team there. Even with a small team Marion placed in some events which they were involved in. Stacy Winistorfer placed 1st in the shot put and placed 2nd in the discus.

Their next track meet was the Vinton Relays which were held on April 27. This time around the girls had a full team and participated in all of the events. Stacy Winistorfer placed 1st in shot and 3rd in the discus. Angie Hutchins placed 2nd in the long jump for the field events. In the running events Marion did very well. Megan Dorgan, Beth Hatch, Renee Conway, and Kathy Foster placed 2nd in the 4x200. The team of Natalie Detling, Staci Jirouch, Stacy Holmes, and Beth Hatch placed 3rd in the shuttle hurdle. The Sprint Medley also placed 3rd with a team of Kristi Bassett, Megan Dorgan, Renee Conway, and Angie Hutchins. The 4x400 placed 3rd. The members

were Jenny Huntoon, Kathy Foster, Angie Hutchins, and Renee Conway. There were a total of 8 teams that participated in the Marion Invitational. Marion placed 1st in the field events.
